Re: James Miller v. BC Human Rights Tribunal (Case 18834)

Dear Jennifer:

I have requested a BC Supreme Court Judicial Review of the BC Human Rights Tribunal's decision to deny my appeal for consideration for a hearing on the basis of employment discrimination in OMINECA's decision to dismiss me from my board position for using swastika's in my personal artwork on religious grounds.

Although your organization is not listed as a respondent, I have been advised by the lawyer for the BC Human Rights Tribunal, Katherine Hardie, that you are a party to the matter and should be informed and, on that basis, am providing you with the documents filed in the BC Supreme Court.

I am enclosing the following documents for service on you:

- My petition for judicial review, filed November 6, 2019;
- My affidavit in support of my judicial review, filed November 6, 2019
- Supporting Exhibits, A-G

Yours truly,

James Miller
